Al regresar a su reino, Alexander usó el antídoto para revertir el hechizo. Los bosques volvieron a florecer, los ríos corrieron limpios de nuevo, y la paz y la belleza regresaron al país de las maravillas. Su pueblo lo recibió como un héroe, y su leyenda se extendió por todo el mundo, recordando a todos la importancia de vivir en armonía con la naturaleza y proteger las maravillas de nuestro mundo.

Frenchb2correction Poe

Comment allez-vous ? Je suis espagnol. Je vis à Valence et je travaille à l'Université.

Corrections:

- "bous" doit être corrigé en "vous".
- "suiss" doit être corrigé en "suis".
- "trevaille" doit être corrigé en "travaille".
- Une majuscule est nécessaire pour "Université".

Skiing in Colorado with my whole extended family was great, even though the toddlers couldn't ski yet. We got adjoining cabins, so we could hang out together after skiing and during meals. The kids loved playing in the snow, and they enjoyed hot chocolate breaks to warm up.

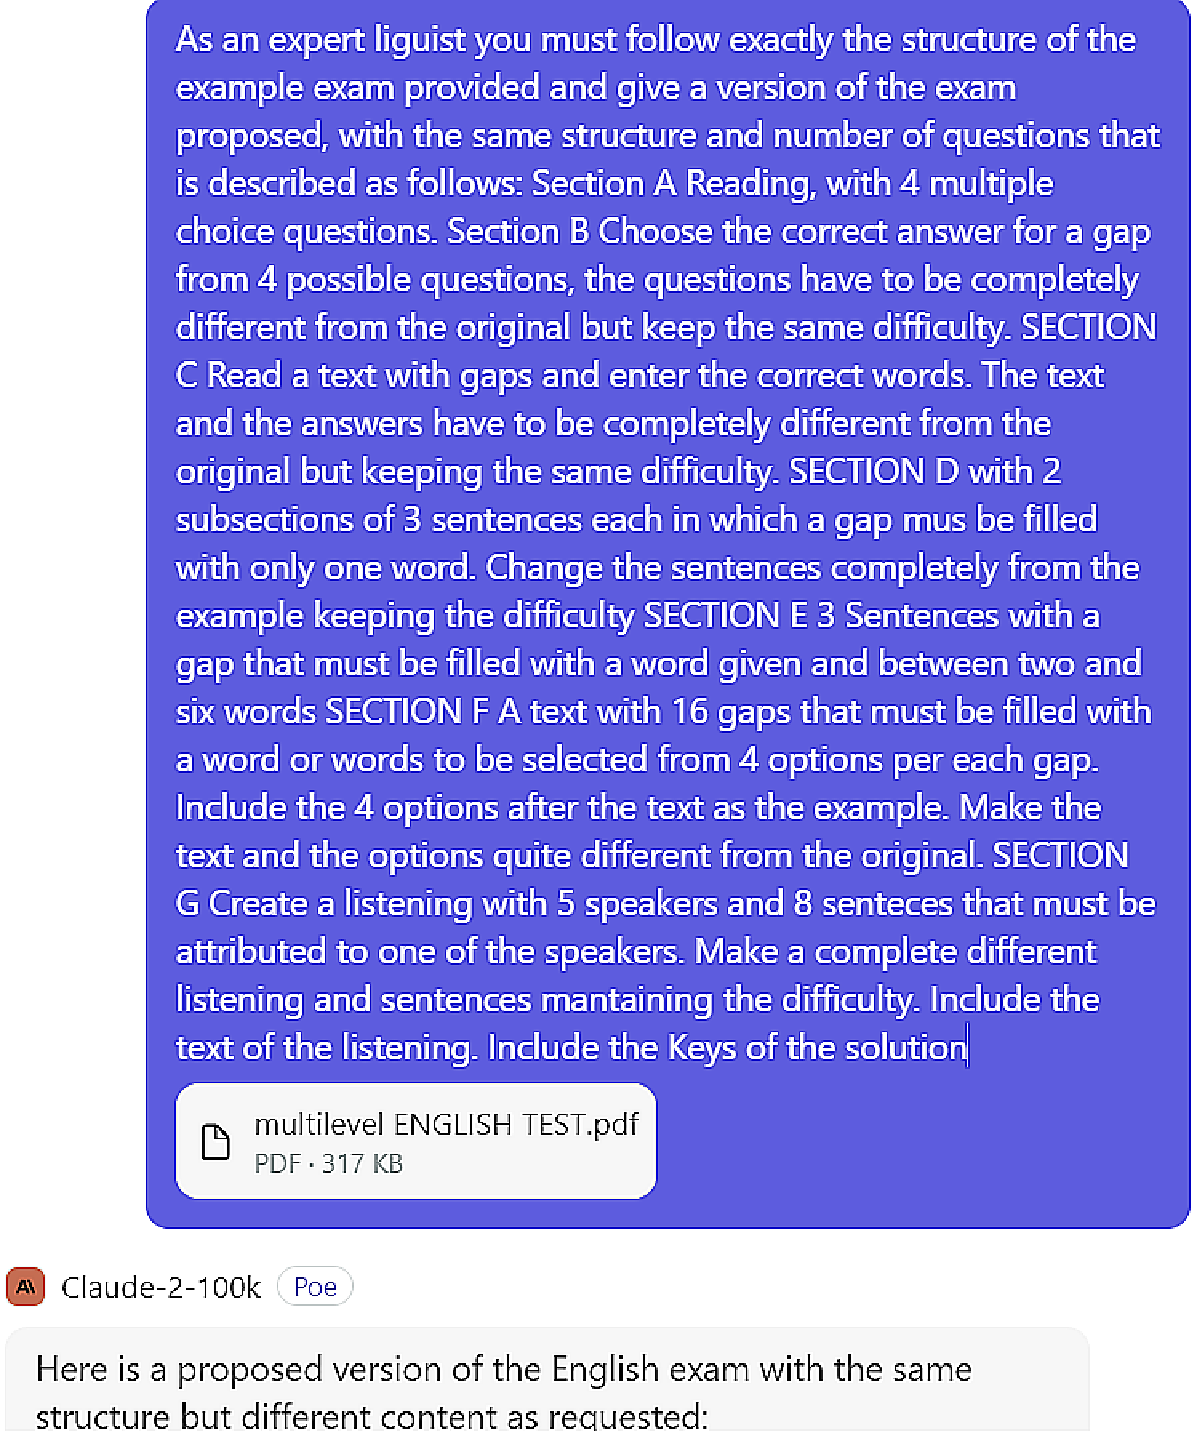
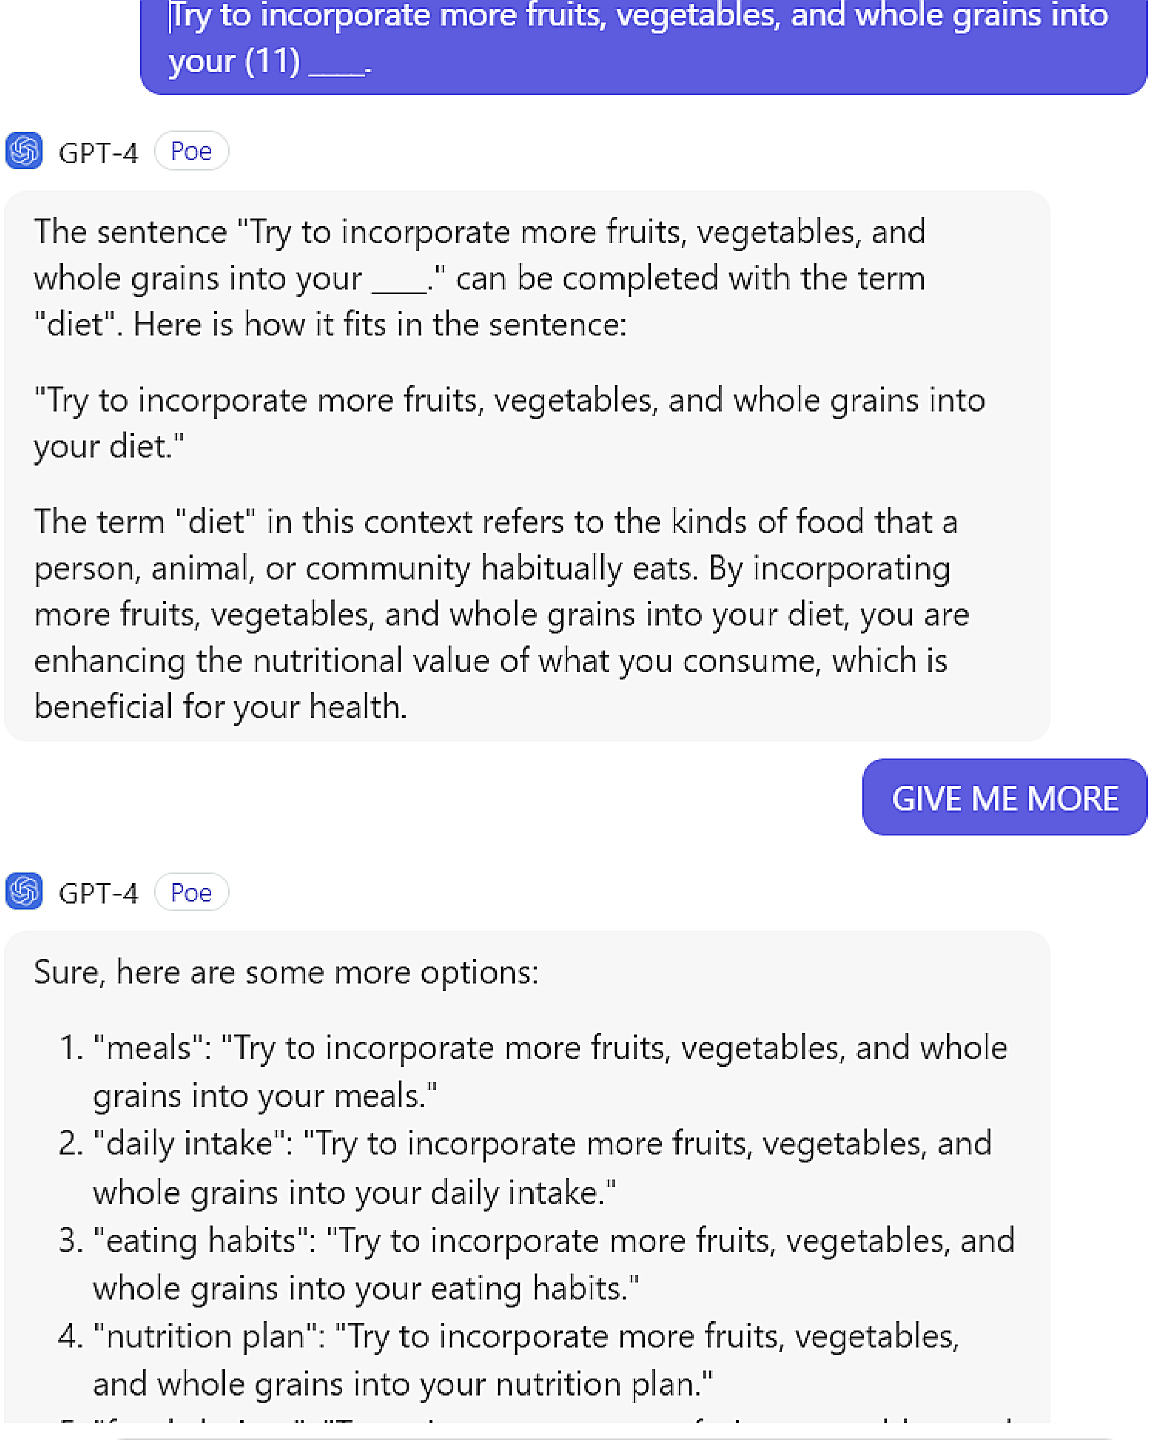
# Generacion de exámenes



As an expert liguist you must follow exactly the structure of the example exam provided and give a version of the exam proposed, with the same structure and number of questions that is described as follows: Section A Reading, with 4 multiple choice questions. Section B Choose the correct answer for a gap from 4 possible questions, the questions have to be completely different from the original but keep the same difficulty. SECTION C Read a text with gaps and enter the correct words. The text and the answers have to be completely different from the original but keeping the same difficulty. SECTION D with 2 subsections of 3 sentences each in which a gap mus be filled with only one word. Change the sentences completely from the example keeping the difficulty SECTION E 3 Sentences with a gap that must be filled with a word given and between two and six words SECTION F A text with 16 gaps that must be filled with a word or words to be selected from 4 options per each gap. Include the 4 options after the text as the example. Make the text and the options quite different from the original. SECTION G Create a listening with 5 speakers and 8 senteces that must be attributed to one of the speakers. Make a complete different listening and sentences mantaining the difficulty. Include the text of the listening. Include the Keys of the solution

Here is a proposed version of the English exam with the same structure but different content as requested:



Try to incorporate more fruits, vegetables, and whole grains into your (11) ____.

The sentence "Try to incorporate more fruits, vegetables, and whole grains into your ____." can be completed with the term "diet". Here is how it fits in the sentence:

"Try to incorporate more fruits, vegetables, and whole grains into your diet."

The term "diet" in this context refers to the kinds of food that a person, animal, or community habitually eats. By incorporating more fruits, vegetables, and whole grains into your diet, you are enhancing the nutritional value of what you consume, which is beneficial for your health.

GIVE ME MORE

Sure, here are some more options:

1. "meals": "Try to incorporate more fruits, vegetables, and whole grains into your meals."
2. "daily intake": "Try to incorporate more fruits, vegetables, and whole grains into your daily intake."
3. "eating habits": "Try to incorporate more fruits, vegetables, and whole grains into your eating habits."
4. "nutrition plan": "Try to incorporate more fruits, vegetables, and whole grains into your nutrition plan."
